We wish to thank the customers who placed orders with us and those who called on us for help in solving their nursery problems. We hope to have the pleasure of serving you in the future. We also welcome new customers. We handle high quality northern grown stock and endeavor to offer it to you at the fairest possible price.

Mr. E. A. Gates, who has served you for the past thirty-six years as owner of Gates Nursery, is now our sales representative. We are pleased to have a qualified experienced man such as Mr. Gates associated with us.

TERMS AND CONDITIONS OF SALE

TERMS - Our terms are cash. We will give 10% discount on orders accompanied by full payment placed with us before April 1st. Thereafter, prices will be as shown in this price list. A payment of 50% must accompany all other orders when booked. Balance is due upon delivery, unless arrangements have been made in advance for credit.

DELIVERIES - All prices are F. O. B. , Rapid City. Free city delivery. Unless otherwise instructed we will ship orders by parcel post, or Railway Express.

GUARANTEE OF GENUINENESS - If any stock proves untrue to description or variety under which it is sold, within recognized tolerances, we will upon proper proof, replace it or refund the original price paid. We shall in no case be liable for any sum greater than the amount originally received for said nursery stock.

GUARANTEE - We will continue our policy, where stock has been given proper care and attention, of replacing at one half price all stock that is not growing one year from date of planting, planting costs not included. Stock that dies within thirty days will be replaced free of charge. Ask for inspection within the thirty days of all stock that looks dried up or in an unhealthy condition.

PLANTING - We will do the planting for our customers in and around Rapid City. Planting charges will be 33% of the cost of the nursery stock, with the exception of evergreens, which will be 20% above cost, and hedge plants which will average 25¢ per running foot of trench. Top soil and fertilizer where needed are extra. Lawn work is figured at 3¢ per sq. ft. including grass seed, fertilizer and the raking necessary for a finished lawn. Grading and top soil are additional. The approximate cost of top dirt is 1¢ per sq. ft. for each inch of soil added.

TREE AND HEDGE TRIMMING - We trim trees, shrubs and hedges. Also tree surgery. All work done by experienced workmen under my personal supervision. Our aim is to please you with our prompt efficient service. We also do some spraying of small trees and shrubbery. Call us at FI 2-4272 or FI 3-6759 for an estimate, or help with your nursery problems.
